To Whom it May Concern:

RE: Vinnette (Vinny) Gibson

This letter is written in reference to the presentations made by Ms. Vinnette Gibson on behalf of the Diakonos Retreat Society. We provided a series of workshops to the law enforcement, fire and EMS families in 2008 and Ms. Gibson was one of our presenters on Stress Management.

She did an excellent job. Her presentation was well organized and clearly presented. The material was appropriate to the audience and the reviews received reflected her professionalism and the quality of the material. She had a clear understanding of her topic and those attending found great value in practicality of the message.

I therefore would recommend her as a presenter. She will do an excellent and thorough job.

Respectfully

Kevin McInnes
