I wanted to send you a quick note to thank you for today.
It was a GREAT training session.

I learned a lot about my staff, myself and our team make-up and I have some great ideas on upcoming meeting topics.
I hope you have a great long weekend.

I will be running monthly meetings on my own but I think we will try and plan a second session with you for January 2013.

Please send me the link to your website when the comments section is ready and I will forward to my staff.
